

CLAREMONT FAN COURT SCHOOL

TRANSPORT GUIDE

2023/24

WELCOME

Dear Parents/Guardians,

I am delighted to introduce the school transport guide for academic year 2023-24. Exciting new developments include some extended routes and a new Epsom and Chessington bus from September 2023. The Claremont Fan Court School community is reaping the benefits of partnering with Vectare, our specialist school transport management company, that continues to manage the school bus network very effectively and is always looking for ways to improve the service. Over the last year, many more pupils are choosing to travel to school by bus, with every extra bus seat occupied helping to reduce local traffic congestion and contribute to our sustainability endeavours.

Our bus routes are operated by carefully selected partner coach operators, alongside a dedicated team of drivers who drive the school's own fleet of branded minibuses. This guide provides information on the routes, timetables and fares for academic year 2023-24 and advice on how to book, along with the terms and conditions, and passenger code of conduct. By visiting claremontfancourtschool.vectare.co.uk parents can access an interactive journey planner to find the bus stop closest to their home and then go on to book journeys at any time.

Bookings are made directly with Vectare using an on-line service, and parents have the option of selecting to pay for a full year in one go or arrange three termly payments using either a debit or credit card. Please note half a term's notice is required for cancellation of a regular booked seat and any cancellation should be made directly with Vectare using the 'contact us' page on the website claremontfancourtschool.vectare.co.uk.

The most cost-effective option is a full time return seat, however, morning or afternoon only bookings are available. For those last-minute change of plans, Vectare offer a single ad-hoc journey right up to the time of bus departure, subject to seat availability, which can be booked on the website or the app.

If you have not yet downloaded to your smartphone the very user-friendly Vectare app, VecTive PA, then I encourage you to do so. This allows parents to track the location and movement of their child's bus and to book journeys with ease.

The expanded bus network for academic year 2023/24 includes 12 routes, with considerable reach across the local and surrounding areas. Thank you to all parents who participated in the recent bus survey. The school has responded to your useful feedback including the introduction of a new routes to the Chessington and Epsom areas. Please do keep giving Vectare your feedback so, together, we can continue to enhance the school bus provision to suit our families and optimise pupil usage. Also, if you have any questions about the bus network, please contact Vectare via the bookings website.

I would like to thank you for your interest and commitment to home to school transport for your family.

With warmest wishes,

Jo Ogden,
Bursar

4. Bookings are non-refundable in the event of a pupil failing to travel.
5. Bookings are to be made via claremontfancourtschool.vectare.co.uk.
6. It will be the parent's responsibility to inform the school via the Contact Us form on claremontfancourtschool.vectare.co.uk if they no longer wish for their child to use the school bus service. Notice of half a term must be given by a parent prior to the removal of a pupil from the school bus service.
7. No pupil is permitted to travel on the school bus service if not pre-booked for that bus.
