# FREEDOM

MAY 2024

## Choice - Equality - Justice - Control

- **I make my own choices and do not blindly follow others.**
- **I treat all people fairly, regardless of our differences.**
- **I know how to stand up for my rights and the rights of others and I choose to do this, even if it is difficult.**
- **I allow other to freely make choices and I do not disapprove if this is different to my choice.**
