

## Early years fees per term

Academic year 2025/26

Our nursery provides high-quality, educationally focused early years provision in preparation for the Claremont School experience. Our advised minimum session attendance is set out below. This is based on what we believe will best allow your child to access the specialist teaching on offer and derive the most benefit from their pre-school education at Claremont.

If you have any queries about this, or would like to discuss it further, please speak to our Head of Early Years, Mrs Field.
